### 'BANKING SAFELY ONLINE' INFORMATION SESSION

Online banking is an integral part of what all banks offer, providing convenience and flexibility.

While the digital age provides many wonderful benefits, it's also essential to be aware of the potential risks and take necessary precautions to ensure the protection of your personal and financial information.

With this in mind, the Club has organised representatives from the local Bendigo Bank to present an information session for Club members providing tips, guidance, and suggestions on how to minimise risks when banking online.

The session is called **'BANKING SAFELY ONLINE'**. It will run for 30 minutes and includes information on :

- · The benefits and importance of engaging with online services.
- · Identifying and avoiding common online scams and fraud (such as phishing), and tips on protecting personal and financial data from identity theft.
- · How to use banking features to help protect yourself from and/or respond to fraud and scam events.

Designed specifically for community groups, the session will be free and there will be plenty of time for any questions to be answered.

With lots of handy hints provided, members will gain valuable insights into the best practices for banking safely online. By being well informed, collectively we can build a more secure digital future for everyone.

## LAST MINUTE REMINDER FOR OUR TRIVIA

Sun - 28 April - 2.00 pm

Only two days to go now for our next trivia quiz when Rhonda Jolley will be testing our knowledge on all things trivial. So, get your team members ready or just come along on the day and join a team with your fellow club members.

There will be eight rounds each of ten questions and a table quiz sheet your team can work on while the scores go up on the board. The prize cupboard is bursting with giveaways including chocolates for everyone and a couple of door prizes plus a few other goodies we will be giving away during the course of the quiz.

As an added bonus, there will be a great afternoon tea to refresh the brain (and maybe the waistline) during the halfway break. All this including a fun afternoon activity will only cost you our normal \$5.00 activity fee and there is no need to book. Don't forget that the public car park opposite the club is free on a Sunday.

On behalf of the trivia team, I hope you can join us this Sunday 28 April starting at 2.00 pm.

Norm Swanwick for the Trivia Team

#### May

Shyly the silver-hatted mushrooms make Soft entrance through, And undelivered lovers, half awake, Hear noises in the dew

Yellow in all the earth and in the skies,
The world would seem
Faint as a widow mourning with soft eyes
And falling into dream.

Up the long hill I see the slow plough leave Furrows of brown;

Dim is the day and beautiful: I grieve To see the sun go down.

But there are suns a many for mine eyes Day after day:

Delightsome in grave greenery they rise, Red oranges in May.

John Shaw Neilson

John Shaw Neilson (February 22, 1872 - May 12, 1942) was an Australian poet. He was born in Penola, South Australia of Scottish ancestry.

Slightly built, for most of his life he worked as a labourer; fruit-picking, clearing scrub, working in quarries, and, after 1928, working as a messenger with the Country Roads Board in Melbourne.

Largely untrained and only basically educated, Neilson became known as one of Australia's finest lyric poets, who wrote a great deal about the natural world, and the beauty in it.
